

Tradition, Responsibility, Innovation

ITALY - TURKEY

3 ECO SHIPS

- TRIESTE – GEMPORT
- TRIESTE – AMBARLI
- BARI - GEMPORT
- BARI - AMBARLI
- PATRAS – GEMPORT
- TRIESTE - PATRAS

Turkish Line TRIESTE-BARI-PATRAS-AMBARLI-GEMPORT

- Start on September 14, 2024
- 3 departures per week from each port
- 3 Eco ships: Eco Mediterranea, Eco Malta and Eco Salerno. +500 trailers capacity per ship.
- Thanks also to the stopover on Patras between Trieste and Turkey, Grimaldi strengthens the network with new connections:
 - Trieste-Patras
 - Patras-Gemport
 - Bari-Gemport in trashipment

+300 million invested by Grimaldi Group in the world's best ro-ro ships, **+3.000** weekly trailer capacities on ships

Equipment – Roll Trailer Updates

We currently have 300 roll trailers and by the end of

September we will have a total of **+700**

Mafi/Roll trailers on the line.

In particular:

- From the current week we have **126 roll trailers more**
- in the next 2 months (august-September) we'll have **more than 300 new roll trailers**

PLT Terminal Improvements

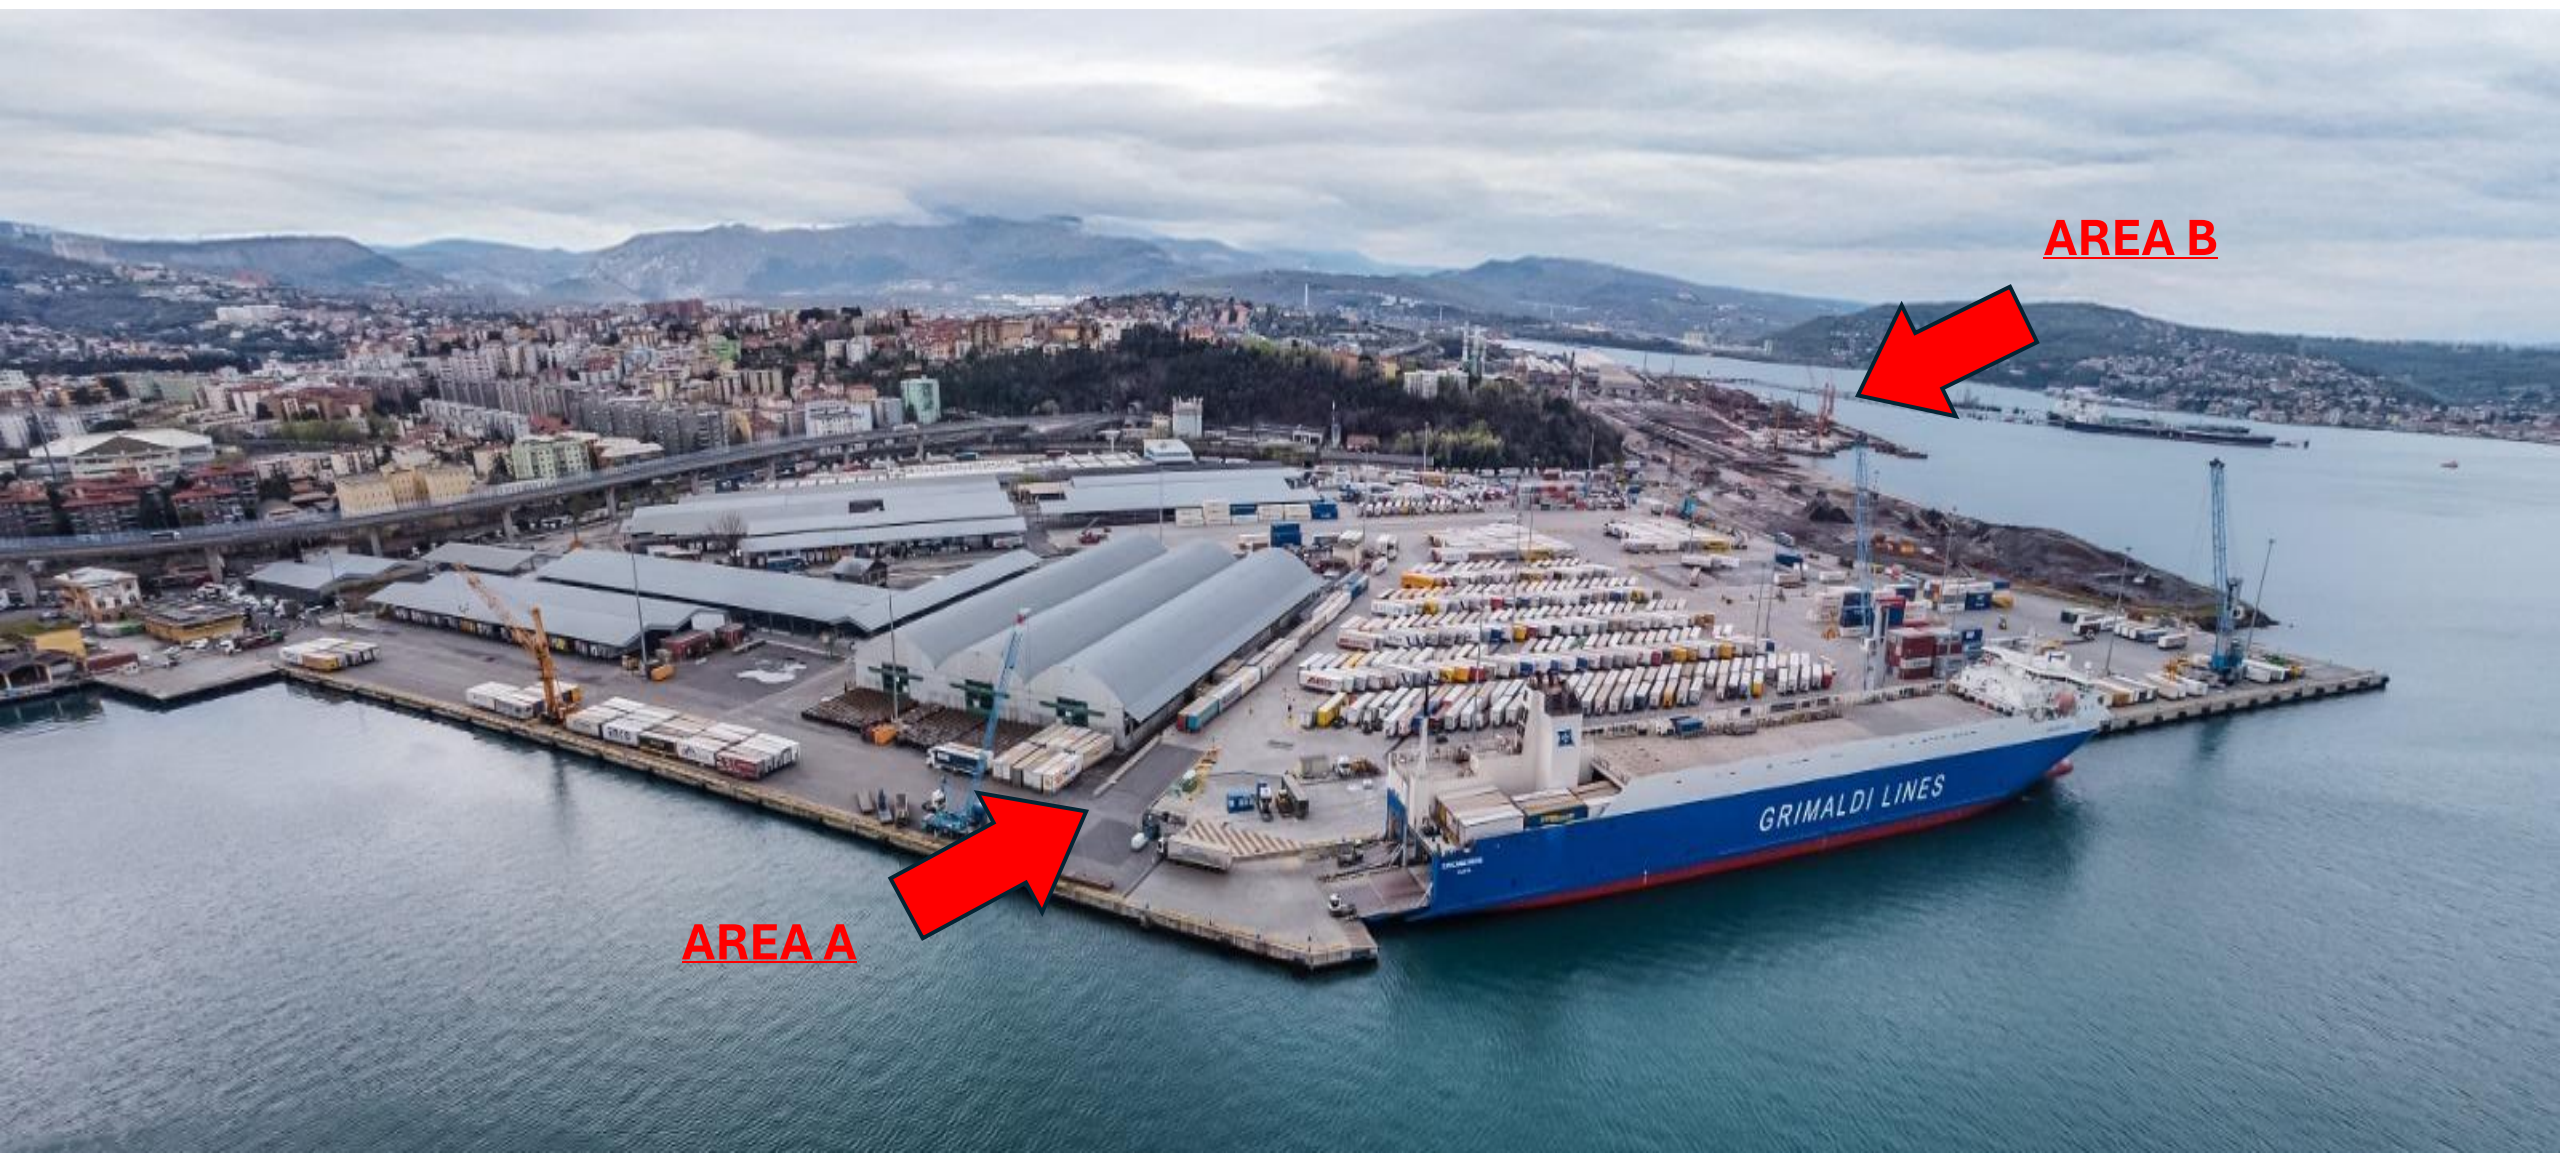

We are improving **week by week** the **operations within the PLT terminal**. Here are the improvements made in recent months.

- **2 Gate In – 2 Gate Out** (10,000 more square metres thanks to the demolition of warehouse)
- **17 Tag master**
- **8 Reach Staker**
- **Actually Area A is 250.000 mqs, Area B further 200.000 sqm ready in 2026**

THE BIGGEST TERMINAL IN TRIESTE

PLT Terminal current situation (AREA A)

PLT Terminal current situation

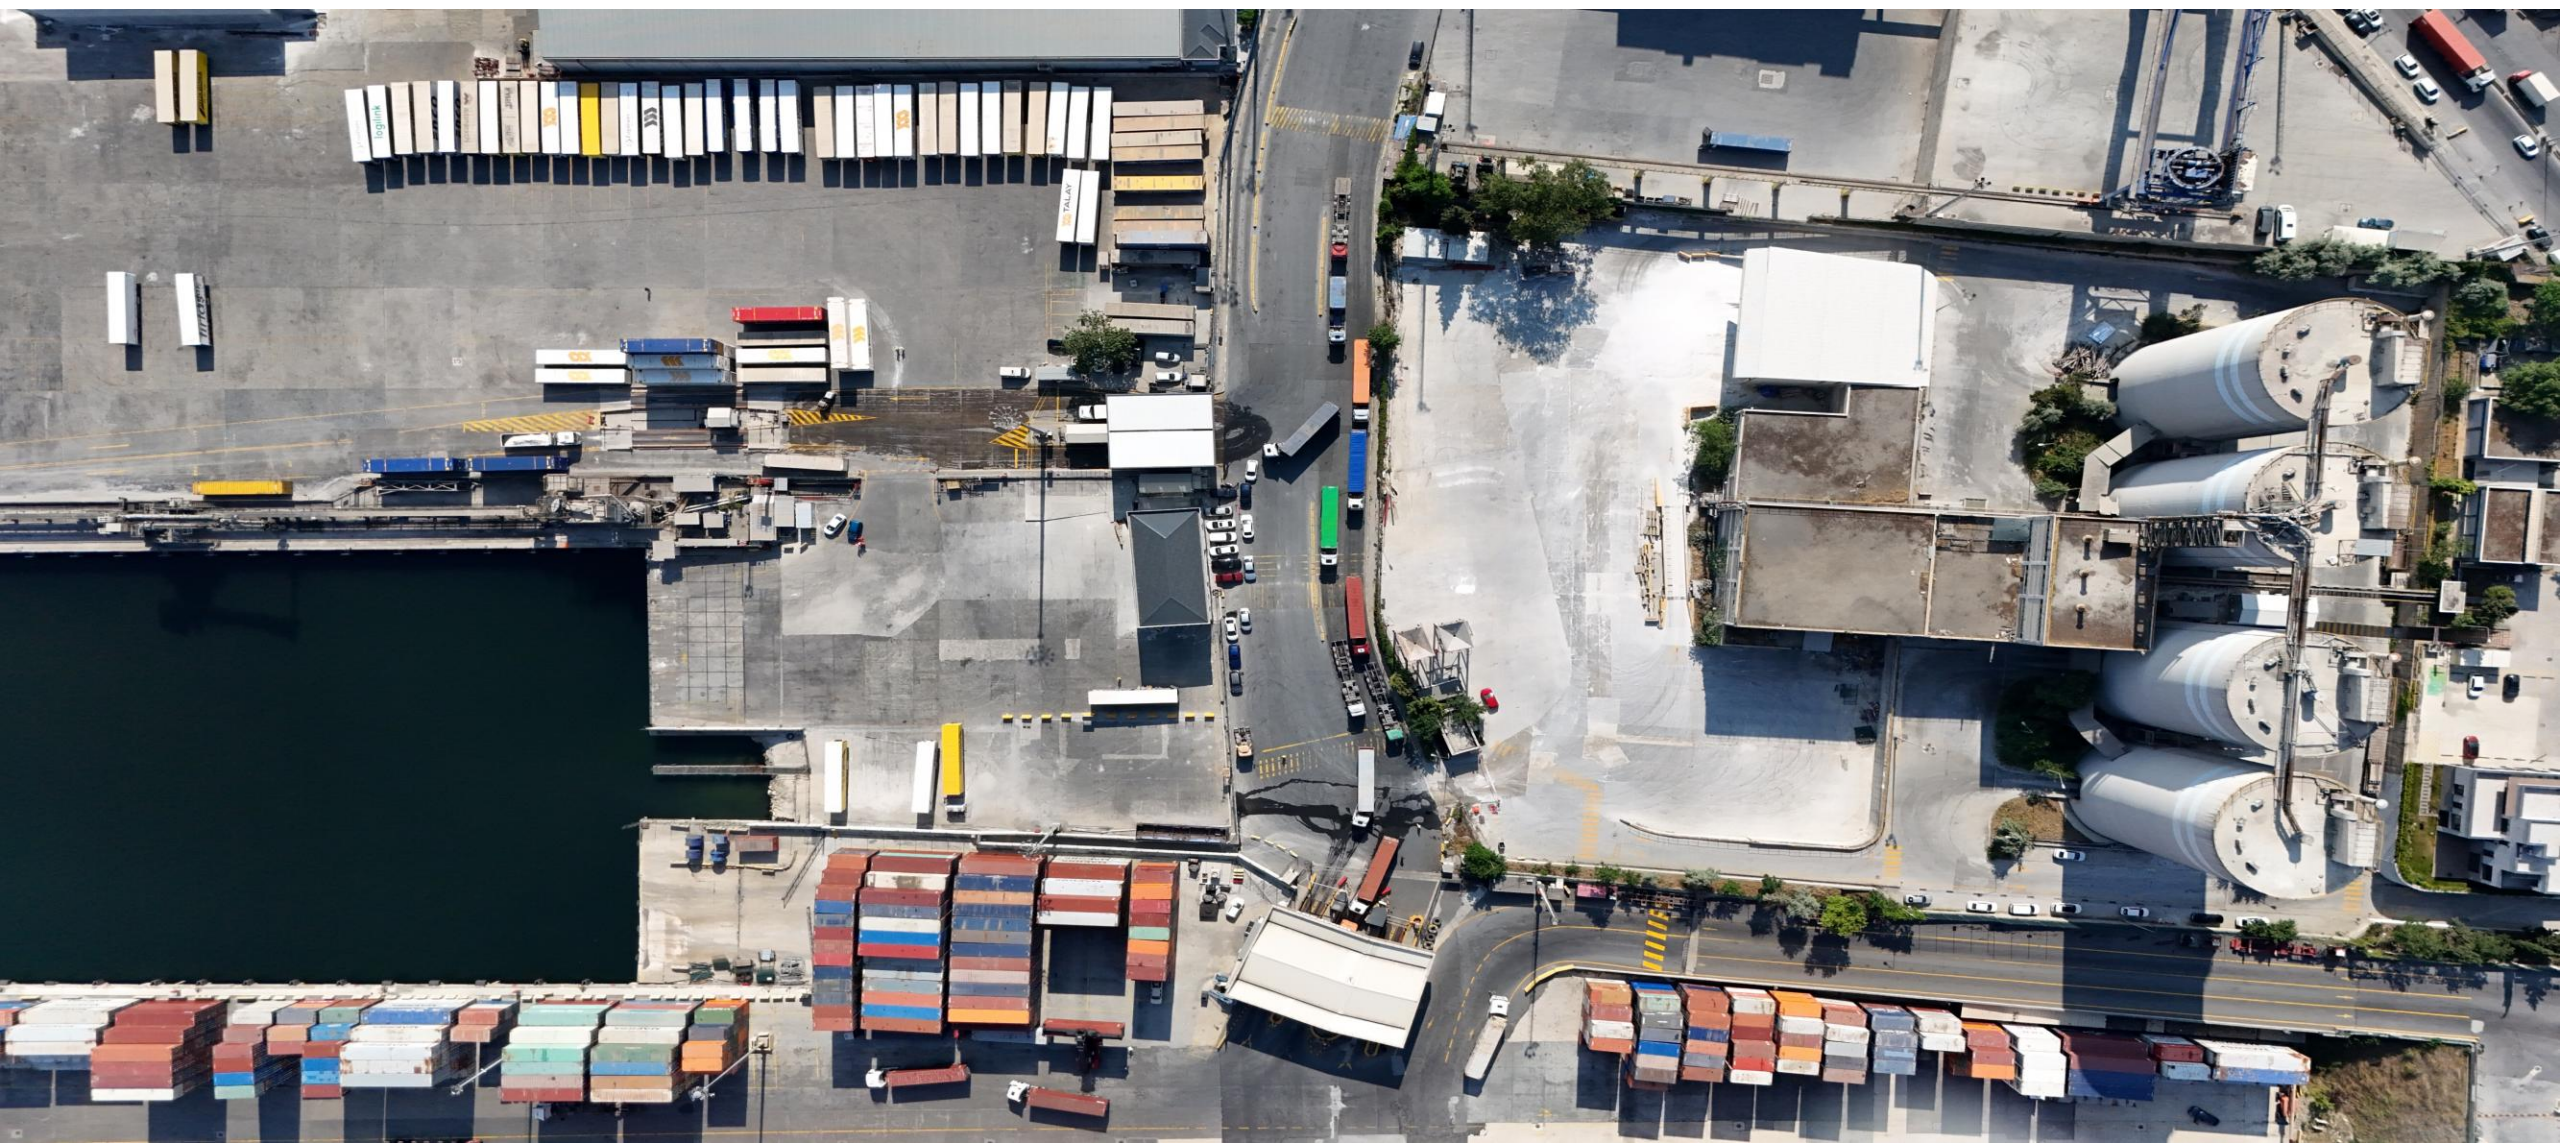

Ambarli Improvements

Commercial operations in Ambarli have improved a lot after the **improvements made in recent months.**

- 450 trailer port capacity in & out
- Xray passage directly in the port
- 2 Gate in - 2 Gate out (thanks to the demolition of warehouse)

Ambarli current situation

Gemport Improvements

Gemport represents a port with incredible potential for the Turkish line due to its **strategic location with the Bursa area** and also due to **its large space available**.

- **6 (4x4) and 25 (4x2) Tag master**
- **500.000 square metres for Trailers**
- **Piggyback ordered** for implementing operations

Gempport Gates: performance

CONTAINER BUSINESS			RORO BUSINESS		
YEARS	MAX. TRUCK /DAY	AVARAGE TRUCK/ DAY	TYPE	MAX. TRUCK /DAY	AVARAGE TRUCK/ DAY
2024	1.700	723	ShortSea	600	50
			Car Carrier	350	100

Gemport: 2 Million square metres

Intermodal Connections in PLT

BEFORE

3

there were only 3 trains to and from
Bettemburg connecting the port of
Trieste (PLT) to Europe

AFTER

12

In a few months **+12 trains**
per week to top freight
destinations in Europe

- 2 Monaco (operated by Kombiferkher)
- 3 Duisburg (operated by Polat)
- 5 Duisburg (operated by Turk/Intermodal)
- 2 Wels (operated by Turk/Intermodal)

FOCUS: LONG BRIDGE Turkey - Spain

Thanks to **our important Network** and the **new line Trieste – Bari – Patras – Gemport- Ambarli**, now is possible to connect through the LONG BRIDGE services the port of **Gemport** and **Ambarli** with the main Spanish ports of **Barcelona, Sagunto/Valencia** through the important ports of **Savona, Livorno, Civitavecchia and Salerno**.

Focus:
LONG BRIDGE Turkey – Baltic

Finnlines
network

We provide the access to intermodal transportation options that seamlessly connect the Grimaldi Group’s Mediterranean ports with the Baltic Sea, enabling efficient, long-distance logistics.
